**ORDER:**

In the reference 3<sup>rd</sup> read above, the Director General of Police, Telangana State, Hyderabad has stated that Ramchandrapuram Police Station of Medak District is having jurisdiction over 6 villages and 10 hamlets. The density of population is comparatively more than the other area of the District because of BHEL Township, and other new colonies that have come up recently. In fact Ramchandrapuram presents an urban agglomeration contiguous to Hyderabad City. Besides BHEL, ICRISAT there are 120 other industrial units operating in this PS jurisdiction. The role of Police unlike the other places has to be multi-dimensional and substantially focused over the problems that generates out of fast growing industrialization and consequential urbanization in pursuit of employment and migration of people from various states which is the common phenomena. The problems that confront Police Stations are not only conventional crimes like property offences, bodily offences and some other miscellaneous crimes but the other issues which are not common to other Police Stations like trade union issues, labour unrest, white collar offences and cheating cases.

2. Further he has stated that Industrial Development Area, Bollaram has more than 400 large, medium & small scale industries. Quite a few of them are chemical industries. Such large concentration of industries means a large labour force, 24 hours human activities, floating population from different States, activities of labour unions and attendant Law & Order problems. This also gives opportunity to property offenders to mix with the labour force. The problem of social evils are an added burden on the Police. With a view to maintain a conductive Law & Order climate so as to attract investments there is an urgent need to Up-gradation of Ramachandrapuram and Industrial Development Area, Bollaram Police Stations as Inspectors (Station House Officers).

3. The Director General of Police, Telangana State, Hyderabad, has informed that there is no financial implication involved in the said proposal. He has requested the Government to accord permission for Up-gradation of Ramachandrapuram and Industrial Development Area, Bollaram Police Stations from Sub Inspector, Station House Officer to Circle Inspector as Station House Officers for better supervision.

4. The Government after careful examination of the proposal hereby agree to the proposal of Director General of Police, Telangana State, Hyderabad for Up-gradation of Ramachandrapuram and Industrial Development Area, Bollaram Police Stations from Sub Inspector, Station House Officer to Circle Inspector as Station House Officers.

5. The Director General of Police, Telangana State, Hyderabad shall take necessary action.

6. This orders issues with the concurrence of Finance Department vide their U.O.No.4509/258/A1/H&M/16, dt. 04.04.2016.
